

# Key Storage .....

KEYSAFE offers safe and convenient key storage on the property-leaving your keys where you need them. Ideal for home care applications, cleaners, holiday lets, facilities management, out of hours access and much more. These key boxes made from non-corrosive zinc alloy can only be accessed using the correct easily changed combination of up to 10 digits.

The fixed version can be fixed to brick, concrete or other secure structure. Other versions available on request (portable, overdoor and alarmed)

- Easy To Install
- Quick Change Combination
- Manual Operation
- Includes Neoprene Cover
- Fixing Kit included
- No Power Source Required
