

## Request to Release Piezo Button

S1718SP

Stainless Steel door status indicator with sounder, request to release vandal resistant piezo push button. Red and Green LEDs. Plate lasered 'Press To Release'.

Specifically designed for use with our range of Interguard door interlock controllers. When used with an Interguard, the LEDs indicate the status of the relevant door.

The piezo push button has no moving parts and is therefore not susceptible to damage from cleaning fluids.

**Specification**
